

# STUDY ABROAD 2022 ROME

## Engineering Mechanics I: Statics

EM 2413 • July 2 - August 3, 2022 • Program fee: \$3,799

Enjoy a unique opportunity to study in Italy with other **Mississippi State** engineering students. Learn how the principles of engineering mechanics are applied to both historic and modern construction.

- Open to all engineering students.
- Non-engineering students can apply with instructor's consent.
- Course is taught in English by MSU faculty.
- Prereqs: C or better in MA 1723 and PH 2213.
- Out-of-state students pay in-state tuition.
- Program fee includes lodging, application fees, health insurance, group tours, admission fees, and some other activities, including a weekend trip to Florence.
- Tuition, travel to/from Italy, any personal travel, local transportation and most meals are not included.
- This course satisfies the Overseas requirement for the Global Engineering Leadership (GENL) minor.
