

# STUDY ABROAD 2024 MUNICH

## Intro to Sustainability

CHE 4990/6990 • June 30 - July 31, 2024 • Program cost: \$4,499

Enjoy a unique opportunity to study in Germany with other MSU engineering and science students. Learn the principles of sustainability related to food, energy, and water nexus. Take advantage of opportunities to tour German industrial facilities and explore German history and culture.

- Open to undergraduate and graduate students in STEM majors.
- Others can apply with instructor's consent.
- Course is taught entirely in English by MSU faculty.
- Prereqs: 2.5 GPA and Chemistry I and Physics I.
- Out-of-state students pay in-state tuition.
- Program cost includes OSA application fee, lodging, health & emergency assistance insurance, industry tours and some group excursions and cultural activities.
- Tuition/fees, OSA software fee, travel to/from Germany, personal travel, local transportation and most meals are not included.
- This course satisfies the Overseas requirement for the Global Engineering Leadership (GENL) minor.
