

STUDY ABROAD 2024 ROME

Engineering Mechanics I: Statics

EM 2413 • June 30 - August 1, 2024 • Program cost: \$4,099

Enjoy a unique opportunity to study in Italy with other Mississippi State engineering students. Be inspired by the beautiful, grand and innovative structures created by the Romans as you study the principles of engineering mechanics. Experience group trips to Florence and Pompeii in addition to several events in Rome.

- Open to all engineering students.
- Non-engineering students can apply with instructor's consent.
- Course is taught in English by MSU faculty.
- Prereqs: C or better in MA 1723 and PH 2213.
- Out-of-state students pay in-state tuition.
- Program cost includes lodging, application fees, health insurance, group tours, admission fees, and some other activities, including a weekend trip to Florence.
- Tuition, travel to/from Italy, any personal travel, local transportation and most meals are not included.
- This course satisfies the Overseas requirement for the Global Engineering Leadership (GENL) minor.
