

**CONGRESSIONAL FELLOWSHIP PROGRAM**  
Bagley College of Engineering

The MSU Bagley College of Engineering offers congressional internships in the offices of Mississippi Senators and Representatives in Washington, DC. Positions are available during fall and spring semesters. Applications are accepted continuously. Interested students should complete this form, attach an up-to-date resume, and write a two-page essay on why they would like to participate in the internship program.

Interns do not receive academic credit but are enrolled for an experiential learning class. Housing accommodations and a stipend to assist with living expenses are provided while interns are in Washington, D.C. Interns are generally paid a stipend by the Senator's office as well.

Please return this completed application along with the essay described below and a current resume to:
