2-6 People In a team

Registration is **$25** per team

24 hr Competition

Oct 29 - Oct 30 Dates

library.msstate.edu/innovatestate2022

A creative problem-solving competition for all MSU students, no matter what major! Graduate and Undergraduate students alike are encouraged to enter. Teams will compete with one another over a 24-hour period to solve the same problem.

The catch? The problem won't be revealed until the competition begins!
