Materials Certificate Application Form

Name: _____ Net ID: _____ MSU ID: _____

Major: _____ Email Address: _____

This program has been designed for engineering students who plan to pursue a career in materials related fields. To be admitted to the Materials Certificate Program, students must successfully complete freshman chemistry (CH1213, CH1223), freshman calculus (MA1713, MA1723), and physics (PH2213, PH2223) courses.

To receive the Materials Certificate, students must then complete four additional courses and a 3-hour Directed (Individual) Study course under the direction of a faculty member of the Materials Working Group. The four traditional courses (one course from Level I, two courses from Level II, and one course from Level III) should be chosen from the 'Level' course list. A grade of 'C' or better must be attained in all four courses and the Directed (Individual) Study course. Only one course in Level II can be from the Special Topics category.

Courses taken you wish to apply toward certificate:

Course Level	Course Number	Course Title
Level I		
Level II		
Level III		
Direct Individual Study		

Student Signature

Date

Complete the application and submit it to the Committee of the Materials Certificate Program (Dr. Hongjoo Rhee at hrhee@me.msstate.edu and Dr. Rooban Venkatesh K.G. Thirumalai at rthirumalai@i2at.msstate.edu).
